PRIVACY · INFORMATION SECURITY

HORIZON CAPITAL

HORIZON CAPITAL is committed to protecting your privacy and maintaining the security of your personal information. This policy outlines how we collect, use, and safeguard your data across our platforms and services.

This Privacy Policy describes how HORIZON CAPITAL obtains, uses, and discloses information on the Site, mobile applications, platforms, and other services. The Company collects and keeps a record of the information the Client provides directly, including when the Client:

01
Account Registration
Registers an account with HORIZON CAPITAL and fills out the required forms.

02
Interactive Features
Participates in contests, promotions, and other interactive features.

03
Financial Transactions
Conducts attempted or successful financial transactions and purchases services.

04
Communication
Connects through phone calls, emails, live chat, and social media platforms.

The information HORIZON CAPITAL may collect includes full name, email, and contact number to create, maintain, and identify the Client's account. Additional information and documentation may be required for verification purposes.

Personal Information

- Date of birth
- Complete address and residency information
- Nationality and citizenship
- Employment information, such as occupation and source of income
- Financial capabilities

Investment Profile

To provide the appropriate services and trading portfolio, the Client agrees to disclose his/her investing experience and financial information, such as financial objectives, investment portfolio, source of investments, and other information required to complete the profile.

Identification Documents

- Passport and other identification documents, including driving license and national ID
- Proof of residency, including utility bill and bank statement
- Copies of the cards used to fund the account with HORIZON CAPITAL

HORIZON CAPITAL only uses the collected information and documents for legitimate business purposes, ensuring security, compliance, and quality service delivery.

01
Compliance Verification
Conduct identity verification procedures as required by anti-money laundering (AML) law and the know-your-customer (KYC) policy.

02
Dispute Resolution
Serve as reference in case of complaints and dispute resolution.

03
Fraud Prevention
Verify that the Client is not associated with any financial fraud or politically exposed persons.

04
Account Management
Contact the Client regarding account status and requests for additional information, and provide market updates.

05
Service Optimization
Align services and products with credit risk assessment and set up security measures such as two-factor authentication.

HORIZON CAPITAL regularly identifies, assesses, examines, and controls each type of risk related to its operations, working with partner financial institutions to provide effective safety measures for Clients' funds.

Information Disclosure

HORIZON CAPITAL does not disclose any collected information except for business purposes among the Company and its affiliates, such as subsidiaries, service providers, and other affiliated financial institutions.

Security Limitations

Despite best efforts to keep Client information secure, the Company cannot guarantee that all information will be private at all times and is not liable for unauthorized access.

Automatic Data Collection

The Client accepts that HORIZON CAPITAL may automatically collect log information, including pages visited, IP address, network identifiers, device information, and location settings. The Site uses "Cookies" to improve services and user experience.

Social Trading Platform

Clients can access real-time social trading features. Using them constitutes agreement that general information shall be considered non-confidential. Community members can share strategies and performance, but trading amounts are never disclosed.

IMPORTANT NOTICE Trading with currencies, CFDs, and other leveraged products involves considerable risk exposure. If the Client uses any information provided in the social trading features for his/her trades or investments, he/she is solely responsible for the outcome.
